

## DECLARATION OF CONFORMITY

Directive 94/9/EC on equipment and protective systems intended for use in potentially explosive atmospheres (ATEX)

### Manufacturer:

Automation Technology Inc., Global Headquarters  
4950 Cranswick Road  
Houston, Texas, USA 77041

### Mechanical Equipment Description:

The following pressure equipment is intended for linear translation of rising stem valves. The applicable equipment under this declaration of conformity are L-Series and H-Series family of control fluid powered actuators (2.25" to 44") with or without JS2 & HO2 optional equipment, which are also manufactured in conformance with PED Directive 97/23/EC.

### Conformity Statement:

The Directors and Manufacturers of Automation Technology Incorporated declare under our sole responsibility that the above mentioned non-electrical products meet the provisions of the ATEX Directive 94/9/EC and the ATEX Guidelines which apply to them. The above mentioned products have demonstrated design, testing, and manufacture compliance with EN 13463-1 (2009) & EN 1127-1 (2007), for Group II Category 2G & 2D equipment, with protection by constructional safety, and with external temperature resulting from ambient temperature conditions.

### Conformity Assessment Procedure:

Self-assessment has been performed by the manufacturer by complying with Annex VIII of the ATEX Directive 94/9/EC. A copy of the necessary technical documentation has been provided to:

**TUV Rheinland Industrie Service GmbH**  
Am Grauen Stein, 51105 Cologne, #0035

### Marking and Tagging:

After preparation of the necessary technical documentation as well as the declaration of conformity, the CE marking as shown below can be affixed on the aforementioned products:

Place of Issue: Houston, Texas, U.S.A

Date of Issue: Sept 6, 2013

**ANDY PATTERSON**  
DIRECTOR OF ENGINEERING

**AUTOMATION TECHNOLOGY, INC.**  
4950 CRANSWICK ROAD  
HOUSTON, TEXAS, USA 77041
