

The global leader in customized valve automation.

Actuator and Valve Compatibility

Actuators	Valve Compatibility
Linear Pneumatic (Spring Return and Double Acting)	Gate Valves, Globe Valves, Control Valves, Choke Valves, Rising Stem Ball Valves, and other rising valves
Linear Hydraulic (Spring Return and Double Acting)	Gate Valves, Globe Valves, Control Valves, Choke Valves, Rising Stem Ball Valves, and other rising valves
Quarter Turn High Pressure Gas	Butterfly Valves, Ball Valves, and Plug Valves
Quarter Turn Hydraulic	Butterfly Valves, Ball Valves, and Plug Valves
Gas Motor	Any valve with a gear operator
Gas-over-Oil	On/Off Valves, Linear, and Quarter Turn Valves

Note: ATI can provide manual overrides on all ATI actuators.
